

## Autumn Term 1 2023

### Core Subjects

- In English we are looking at reading and writing . We will be reading the book What to Do with a Box by Jane Yolen, we are also learning through daily phonics with the Read, write inc scheme. We will also be working on our handwriting and forming basic short sentences. And looking at Where the Wild Things Are by Maurice Sendak
- In Maths we have been looking at identifying different numbers, colours shapes and patters with the help of different objects such as blocks, toys and shapes

### Topic

Our topic this term is called 'Let's explore!'  
In the project, your child will explore their class environment and school grounds so that they feel settled and happy in their surroundings. They will learn about the local environment and hopefully explore some local places. They will look at and create maps for journeys.

### Foundation Subjects

- In Science we will be looking at what lives in nature, what skills they need( sight, sound, taste, ect)
- Understanding of the World will be looking at what lives underground, our world, local people comities and links into our science lessons,
- In Art/ DT we will be expressing ourselves though different mediums with different utensils such as rollers, making stamps out of recycling and using toys to make art
- In RE we will be doing sensory exploration different religious symbols
- In PSHEE we will exploring about being ourselves in the topic being me in my woud, we will be looking at how we are feeling today, being at school, class expectations and responsibility
