To Parents/Carers of Year 9 Pupils

Dear Parent/Carer,

Meningitis Vaccination & Tetanus, Diptheria & Polio Vaccination for Year 9 Pupils

The school nurse will be visiting the school on Monday 3rd June 2019 to administer the Meningitis Vaccination as well as the Tetanus, Diptheria & Polio Vaccination to Year 9 Pupils.

Please find attached the information and permission form.

Please can we ask you to fully complete and return the form, **even if you do not wish your child to receive the vaccinations** as the form does include the option to Refuse.

You can choose for your child to have one, both or neither vaccination. If you are unsure when your child last had the Tetanus, Diptheria & Polio Vaccination, the school nurse will automatically check if your child is due and will only administer if appropriate to do so, although will still need your consent on the form to be able to do this.

Once completed, please return this form to Mrs Edwards on Reception by Wednesday 22nd May.

Yours sincerely

Mrs T Ydlibi
Executive Principal
