

Monday 16 September 2019

To Parents/Carers of all Secondary Pupils

Dear Parent/Carer,

Food Technology Practical Sessions: Autumn Term 2019

As part of your child's Food Technology Course, we are looking at a range of food types and completing dishes. For those students in key stage 4 such work will be assessed against your child's accreditation for the Home Cooking Skills award. This practical work is a vital element for your child to understand how ingredients are prepared, combined, cooked and evaluated.

Ingredients will be purchased for each session by the school, but we would be grateful for a contribution of £1.50 per week towards the cost of sessions up until the end of term. Some schools request that parents send ingredients in themselves with the students on the day, however we realise that this can at times be a burden. By buying the ingredients ourselves we aim to reduce the inconvenience of sourcing ingredients and sending them in every week, and also hopefully it will reduce your costs than if you were buying direct from a supermarket.

Please may we also ask for students to bring in a named container each week to bring their dishes home in. If you have any questions regarding the sessions, please do not hesitate to contact me.

Please return the slip below with £21 in a sealed envelope, clearly labelled.

Yours Sincerely

Mrs S Walker
Subject Leader

Food Technology Practical Sessions: Autumn Term 2019

Please return this slip and payment to Mrs Edwards on Reception

Please find enclosed a £21 contribution towards cooking ingredients for the Autumn Term.
