Parents of Pupils in years 9, 10 and 11

Dear Parent/Carer,

## **Supported Internships – Thursday 24<sup>th</sup> January 2019**

We are focussing on future opportunities for our young people and supporting them to make informed decisions about their Post 16 placement, following completion of their education with us at Medeshamstede Academy. All young people between the ages of 16 to 18 must now be in Education, Employment or Training and sometimes all the options to support young people into their adult life, and ultimately employment, can be confusing. To help ensure that pupils and parents are as informed as possible, we are delighted to be able to offer, in partnership with Peterborough Regional College, an information event for Supported Internships.

Supported Internships are an option for Post-16 for all our young people. Supported Internships are personalised study programmes based primarily at an employer's premises. They are designed to better enable young people with additional needs to achieve sustainable paid employment by equipping them with the skills they need for the workplace.

The event is being held here at Medeshamstede Academy on Thursday 24<sup>th</sup> January at 1:45pm and is open to parents and carers as well as your young people. Miss Snape, from Peterborough Regional College, will be giving a short presentation on supported internships followed by a general Q&A session. After that, there will then be time to talk to the team leading on Supported Internships at Peterborough Regional College on a more personal level. The event is expected to run until 4pm.

As parking spaces on-site are limited, please may we ask parents and carers to park off-site. We do have disabled parking on-site for those that need it.

To help us plan for this event, please complete the attached slip and return it to Mrs Edwards on our reception by Friday 18<sup>th</sup> January 2019.

Yours sincerely

Mrs Smith
