Dear Parents,

Functional Maths Trip to Queensgate on Thursday 13th December 2018

We are planning a trip to Queensgate on Thursday 13th December which will provide a great opportunity for pupils to put into practice, in a variety of social settings, skills which they have learnt.

We plan to leave school at 9.20am and travel to the city centre on public transport so we can practice the timetable and planning work that we have completed in functional maths lessons this year. We will spend some time in Queensgate and nearby shops to allow students to purchase a gift for a family member or friend and we will end our trip out with a fast food lunch.

The pupils do not have to purchase a gift if they do not wish to but the trip will provide valuable opportunities to practice their social and money skills; practicing interactions with members of the public and staff in shops and paying for the gifts they buy with independence.

Pupils will be carrying and handling their own money and the maximum amount of money that they are allowed to bring is £25, this includes paying for their lunch. If there is a particular recipient that you would like the pupil to buy for please indicate below, so they can plan for them in the lessons.

Pupils should wear their school uniform and comfortable and suitable footwear.

We are really looking forward to our class trip out and getting to enjoy some time together at the end of a busy term. Please complete the permission slip below and return it to Mrs Edwards on Reception by Tuesday 4th December 2018.

Yours sincerely
