

Autumn Term 1 2023

Core Subjects

- In English we are looking at writing simple biographies, newspaper reports and speeches, We are also learning through daily phonics with the Read, Write inc. scheme. There will also be continuing work supporting our handwriting and forming basic short sentences.
- Across this term in Maths we will be looking at place value and calculations, using practical resources and real life scenarios

Topic

Our topic this term is all about notable people and their achievements.

In this topic, the class will explore the local environment and the school grounds. They will learn about some local, famous figures looking at how and why they are remembered.

Foundation Subjects

- In Science we will be looking at micro-organisms and how germs are spread
- Understanding of the World will be looking at local and historically significant people and finding out about famous explorers.
- In Arts, Design and Technology we will be combining materials to build different boats, using mixed media to create sculptures. We will also be exploring the world of sea shanties
- In RE we will be doing sensory exploration different religious symbols
- In PSHEE we will be exploring about being ourselves in the topic being me in my world, we will be looking at how we are feeling today, being at school, class expectations and responsibilities.
