Dear Parent/Carer,

RE: Xello Careers Platform

We are excited to tell you about a new careers platform we are joining to help students create a career profile and look at what skills and careers they may wish to pursue matched to their strengths and skill sets. It is an interactive system which is accessible for both students, schools, and families.

The school data system will link to the platform to enable your child's details to be uploaded as we do with other learning platforms, in line with Privacy Notice for Pupils and Parents which can found at:

<https://www.medeshamstedeacademy.org/page/?title=Data+Protection&pid=17>

For more information about the platform please copy and paste the link below into your browser: -

Our aim is to enable us, and yourselves as parents/carers, to guide, encourage and support a matched career pathway that your child may choose. If you have any questions around this program please contact Mrs Toshack, Careers Lead, through the academy.

Yours sincerely,

Miss C Smith
Principal
