### ***Contextual information***

There were a total of thirteen Yr11 pupils that completed their academic study at Medeshamstede Academy during the academic year of 2018-19. There were a total of eight pupils that joined Medeshamstede Academy in 2012. The remaining five pupils joined the academy over the following years, two of whom joining less than eighteen months previously. The pupils consisted of twelve boys and one girl living within the Peterborough and Cambridgeshire areas.

All pupils engaged with a package of study that was designed to meet their developmental stage, not age, and tailored to suit their interests and needs. All pupils were taught in small groups of no more than eight and were supported by their form tutor and a wider team of support staff as well as subject specialist teaching staff.

Pupils that have been at the Academy for more than eighteen months achieved between a range of 6-14 accreditations/qualifications per pupil, all pupils achieving at least one successful accreditation in English and Maths.

### ***Comparisons to National Special School Results and Data sets for Year 11***
