

My Child is Learning:
Spring Term 1 (Cycle A)

Amber Class

English

Coming to England - Floella Benjamin

I know that autobiography is a true story written by the person about their own life.
I know that an autobiography is a true account of someone's life written by that person.
I know that fiction is a made-up story created by an author.
I know that key details tell us important facts about events, feelings, and places.
I know that predictions use clues from the text and my own knowledge.
I know that punctuation marks help make writing clear.
I know that paragraphs group related ideas together.
I know that creative writing uses descriptive and sensory language to show feelings and create a picture in the reader's mind.
I know that extended writing needs planning, punctuation, and legibility.

Maths

I know ratio compares quantities using multiplication and division.
I know ratios can be written using ':' or as fractions.
I know ratios can scale quantities up or down.
I know money uses pounds and pence.
I know how to calculate the total cost and change.
I know ratios can be used to share money fairly.

Science

Mary Anning

I know who Mary Anning was and why she is remembered.
I know what fossils Mary Anning discovered.
I know Mary Anning's discoveries helped scientists understand prehistoric life.
I know what a palaeontologist does and how fossils are excavated.

Arts

Develop Skills in a Chosen Art Form

I know what sculpture is and the different materials I can use.
I know how to shape and join clay pieces.
I know how to use wire to create a structure or armature.
I know how to use modroc to build and cover a sculpture.

Careers

Developing Work Skills and Behaviours

I know why employers use shortlists and how to improve my chances of being shortlisted.
I know why interviews are used and what their purpose is.
I know the different formats of interviews and their key features.
I know what information to research about an organisation before an interview.

Physical Education

Boccia

I know how to propel a boccia ball.
I know how to use different types of shots to get close to the target.
I can improve my shot placement.
I know how to push my ball closer to the target.
I know how to perform a block.
I know how to attack and defend.

Humanities

Christian Worship

I know the main seasons of the Christian year (Advent, Christmas, Lent, Easter, Pentecost).
I know the meaning of major festivals like Christmas and Easter.
I know the colours and hymns used in different seasons.
I know that Christianity has different traditions and practices.
I know how church structures reflect beliefs.
I know what I have learned about the Christian year and church variety.

Life Skills

I know why safety is important in the home.
I know electricity can be dangerous if misused.
I know water leaks can cause damage.
I know that painting helps protect and improve a home.
I know regular checks keep a home safe.

Computing

3D Modelling

I know you can work in three dimensions on a computer.
I know how to add 3D shapes and view them from different perspectives.
I know that digital 3D objects can be modified.
I can plan and create 3D objects for a given purpose.

Food Technology

Food from Around the World

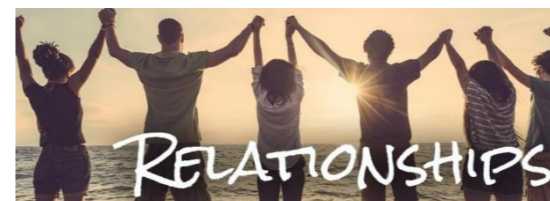

I know that different countries have traditional foods that reflect their culture and climate.
I know that food can be influenced by geography.
I know that food can tell us about history, trade, and migration.
I know that food hygiene and safe preparation are important when handling meat.
I know that spices and herbs add flavour and cultural identity to dishes.
I know that sauces can be thickened using methods like making a roux (flour and fat mixture).

Relationship and Sex Education

Respectful Relationships

I know what qualities make a relationship positive and healthy.
I know the difference between a healthy and an unhealthy relationship.
I know how to express my feelings in a respectful way.
I know how to solve misunderstandings calmly.
I know how to show appreciation and support to my friends.
I know how to set boundaries in a kind and respectful way.
I know how to help someone who is having relationship problems.
I know why compromise and forgiveness are important in relationships.
I know how to avoid harmful behaviours like gossip or exclusion.
I know why relationships sometimes change or end.
I know how to move on without being unkind or bullying.

PSHE

Who am I?

I know that prejudice means forming an unfair opinion about someone before knowing the facts.
I know that prejudice is often based on things like race, gender, religion, or appearance.
I know that discrimination is treating someone unfairly because of who they are or what they believe.
I know that discrimination can happen in schools, workplaces, and communities.
I know that a stereotype is a fixed idea about a group of people that may not be true for everyone.
I know that stereotypes can lead to unfair judgments and actions.
I know that showing respect means listening to others and valuing their differences.
I know that respect helps everyone feel safe and included.
