English

Turning 15 on the road to Freedom – Lynda Blackmon Lowery

I know that an autobiography is a true story written by the person about their own life.
I know that a biography tells the true story of someone's life.
I know that different texts can present the same person or event in different ways.
I know that predictions use clues from the text and my own knowledge.
I know that fact and opinion are different: facts can be checked, opinions are what someone thinks.
I know that paragraphs group related ideas together.
I know that I can compare two texts by identifying similarities and differences.
I know that planning helps me organise ideas before writing.

Maths

I know common units of length, weight, capacity, time, and money.
I know what scale represents on a map or drawing.
I know area measures space inside a shape and perimeter measures around it.
I know volume measures space inside a 3D object.
I know line symmetry and angle types.
I know nets represent unfolded 3D shapes.

Physical Education

Volleyball

I know that posture and movement efficiency affect performance.
I know how serving can create tactical advantage.
I know how passing transitions into attacking.
I know how timing and angle affect spike success.
I know how team defence prevents easy points.
I know how to apply advanced tactics in a match.

Relationship and Sex Education

Understanding Sexual Health and Wellbeing

I know what a healthy intimate relationship looks like.
I know why trust, respect, and communication are important in a relationship.
I know that I have the right to say "no" in any relationship.
