As in previous years this funding is in addition to the school's budget and represents a major investment in pupils.

During the current academic year 2018-19 Medeshamstede Academy received £56,264. These funds were used to raise attainment for disadvantaged pupils (see breakdown below). This aim of the spend was to secure the best possible outcomes for the pupils to whom it is awarded.

We encourage all parents and carers who may not have applied for Free School Meals, but may be entitled to them, to do so. For further details on how to apply and to determine eligibility please find more information on the Peterborough City Council Website.
